FOREWORD

Bismillahir Rahmaanir Raheem بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ
(In the name of Allah, the Most Merciful, the Most Gracious)
Alhamdulillah (All Praises Belong to Allah) اَلْحَمْدُ لِلّٰهِ

May Allah SWT bless our Master Muhammad and his family and Companions and grant them peace. Praise belongs to Allah, the One, the Almighty, the Ever-Forgiving and the Manager of Affairs. We praise Allah abundantly for all His blessings, and we ask Him for increase from His bounty and generosity. We affirm His oneness and bear witness that all creation must submit to His Lordship. We testify that Muhammad is His slave and the Messenger and His beloved, chosen from His creation.

We seek His guidance and forgiveness and protection from the whispers of the Devil and ourselves and wrong deeds. The guidance of God is the only guidance and we ask God the Generous for success by our good intention and for help in all manners of obedience, He who is capable of everything, no matter is too great or too difficult for Him.

Before commencing on the guide, we would like to take a short section to express our gratitude for the opportunity to create something that may benefit the people around us. This guide would not have been completed without the extensive help of our dear brothers Muhammad Mustaghfir, Mahmud Khan Bin Abdul Aziz and Adil Koh Jin Wang, whose involvements vastly extend beyond simply designing, writing and managing. We would also like to extend our deepest gratitude to our friend and teacher, Ustaz Sameer for ensuring the accuracy and clarity of this guide. May Allah SWT shower the greatest of His generosity and pleasure on them and on the larger Converts Central Team.

We pray to Allah SWT that He accepts our humble effort and that we may find it on the scale of our good deeds on the Day of Resurrection. We beseech Allah SWT that He makes it a deed whose reward we would continue to receive after our deaths and that it would be a source of benefit for many.

It is now time to embark upon this task and we begin by invoking the name of Allah, Most Gracious, Most Merciful. In Him, we have placed our trust and we depend on Allah SWT for assistance and success.

INTRODUCTION

Why this “Terawih Guide”?

There is a big and increasing gap between Muslims who already pray Terawih and who are fluent in its practices and Muslims who have not prayed Terawih before in Singapore. This challenge stretches across different segments in our Converts, Rediscovering Muslim and Born Muslim population.

It is with great hope in the Mercy, Generosity and Facilitation of Allah SWT that we are able to bridge this gap for everyone by compiling the various infographics and supplications for Terawih and Witr into a simple and easy guide to follow.

INTRODUCTION TO TERAWIH

Arabic term

صلاة التراويح (ṣalāt at-tarāwīḥ) prayer of the Terāwīḥ'

What is Terawih?

Terawih is a Sunnah (optional) prayer that is practiced by Muslims during the Holy Month of Ramadhan. Terawih is derived from the Arabic root **ر و ح** related to rest and relaxation.

It is done from the first night of Ramadhan till the last night, after completing one's Isya' prayer. Each prayer has two Rakaats with one Salam, done in sets of 8 or 20 Rakaats.

Virtues of the Terawih Prayer

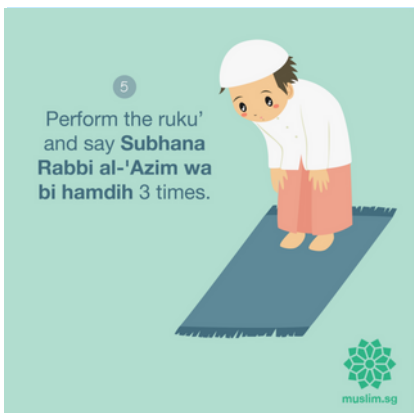

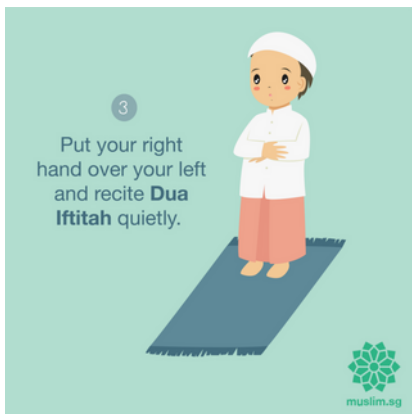

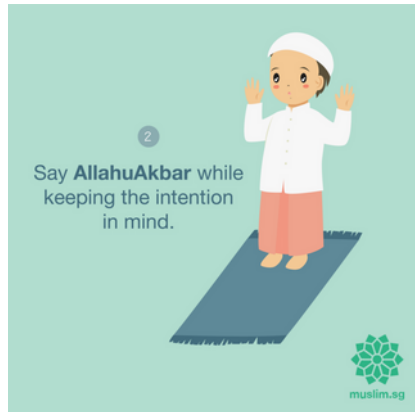

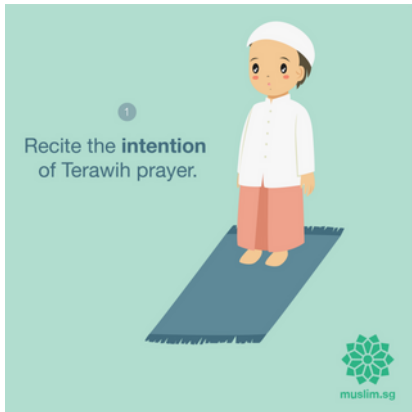

The Prophet s.a.w. said,

مَنْ قَامَ رَمَضَانَ إِيمَانًا وَاحْتِسَابًا غُفِرَ لَهُ مَا تَقَدَّمَ مِنْ ذَنْبِهِ

“Whoever prays during the night of Ramadhan with īmān (faith) and in hopes of rewards (from Allah), his past sins will be forgiven for him.”

(Narrated by Imam Al-Bukhārī & Muslim)

HOW TO PRAY TERAWIH

Witir Prayers

After completing the terawih prayer, it is encouraged to end the night with the witir prayer.

Witr prayer is performed in an odd number of raka'at and is usually done in 3 raka'at. This is done by performing two raka'at of the same steps mentioned with the salam, and then followed by one raka'at with the salam to complete the three raka'at of the Witr prayer. The maximum number of raka'at for the sunnah witr prayer is 11 raka'at.

WITIR PRAYER

What does witr mean?

In the Arabic language, 'Witr' means odd

Abu Huraira reported:

The Prophet, peace and blessings be upon him, said, "Verily, Allah is numerically odd and He loves what is odd in number."

Introduction

Witr prayers are another form of the night prayers (qiyām al-layl). As Witr means odd numbers, these prayers are observed in odd-numbered raka'āt i.e. one, three, five and so on.

We are encouraged to seal our Terawih Prayers with Witr Prayers. Witr prayers stand between 1 to 11 rakaats.

In Singaporean mosques, after finishing 8 or 20 rakaats of terawih (depending on the Mosque) The Imam will close the session with 3 Rakaat Witr prayers. It is done by praying 2 Rakaats with a salam, followed by a single Rakaat prayer afterwards. Hence, adding up to three odd Rakaats.

Can one still perform prayers at night after praying Witr?

Yes. One can still perform sunnah prayers after praying Witr. In such cases where one prays Witr and sleeps, then wakes up for Sahur, the person is still able to pray his Tahajjud Prayers before it reaches Fajr.

Recitation of Do'a Qunut

During the final half of Ramadhan, we are encouraged to perform Do'a Qunut in the last rakaat of the Witr Prayer(a prayer which is recited in every Fajr prayer during the second Rakaat) We will include the standard version and also the shorter one, whichever is more comfortable to be recited by the Imam.

After standing up from Ruku' in the second rakaat, the Standard recitation is as follows:

INTRODUCTION TO SUJUD TILAWAH

What is sujud tilawah?

Sujud Tilawah is the prostration performed due to reciting or hearing a Sajdah verse from the Qur'an. The ruling on performing it is Sunnah.

Virtues of Sujud Tilawah

The Prophet (peace be on him) used to make this sujud whenever he recited one of these ayahs. He Peace Be Upon him said:

“When a person prostrates himself after reading a verse requiring the performance of sajdah, the shaitan starts crying and wailing in a corner, saying: ‘Alas! The children of Adam were enjoined to perform sajdah and they carried it out, and become entitled to enter Paradise, but I refused to do so and was condemned to Hell.’” (Muslim and Ibn Majah)

Verses of sajdah

There are fifteen Sajdah verses in the Qur'an

(7:206) Al A'raf: Verse 206

(13:15) Ar Ra'd: Verse 15

(16:49) An-Nahl: Verse 49

(17:107) Al-Isra': Verse 107

(19:58) Maryam: Verse 58

(22:18) Al-Hajj : Verse 18

(22:77) Al-Hajj : Verse 77

(25:60) Al-Furqan: Verse 60

(27:26) An-Naml: Verse 25

(32:15) As-Sajdah: Verse 15

(38:24) Saad: Verse 24

(41:37) Fussilat: Verse 37

(53:62) An-Najm: Verse 62

(84:21) Al-Insyiqaq : Verse 21

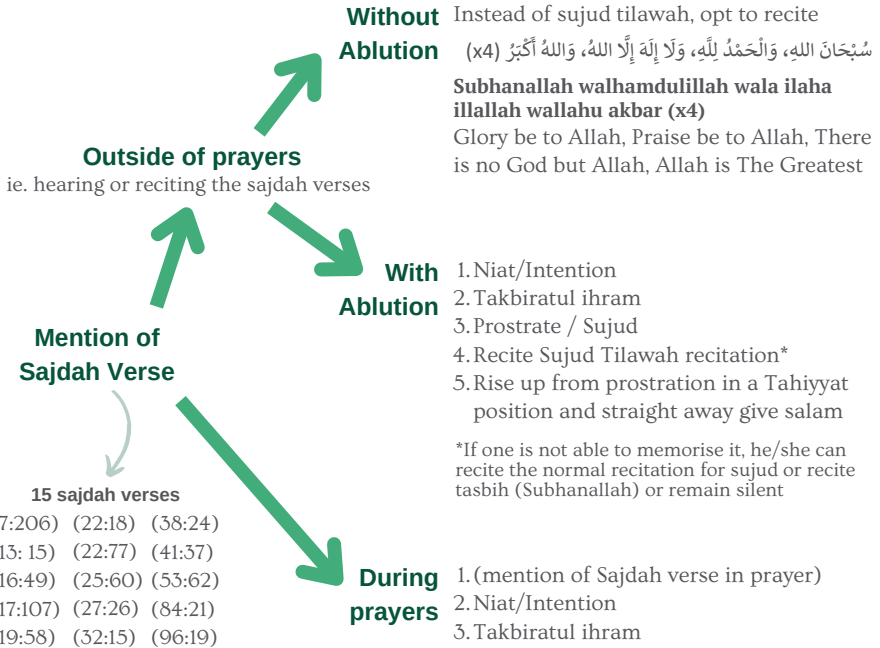

(96:19) Al-Alaq: Verse 19

These verses can be indicated by this symbol Ω at the end of the verse.

SUMMARY OF SUJUD TILAWAH

When to perform Sujud Tilawah

A person can perform Sujud Tilawah both during prayers or outside of prayers, whenever one comes across any of the fifteen Qur'anic verses mentioning prostration. However, there's a slight difference in the way of performing, depending on the situation.

Intention for Sujud Tilawah

نَوَيْتُ سَجْدَةَ التَّلَاوَةِ لِلَّهِ تَعَالَى
Nawaitu Sajdah Tilawah Lillahi Ta'ala
 I intend to perform Sajdah Prostration
 for Allah Almighty

Recitation of Sujud Tilawah

سَجَدَ وَجْهِي لِلَّذِي خَلَقَهُ وَسَقَى سَمْعَهُ وَبَصَرَهُ بِحَوْلِهِ وَقُوَّتِهِ فَتَبَارَكَ اللَّهُ أَحْسَنُ الْخَالِقِينَ
Sajada wajhiya lillazi kholoqohu wa syaqqa sam'ahu wa basorahu
bi hawlihi wa quwwatihi fa tabarakallahu ahsanal khaliqiin

My face fell prostrate before He who created it and brought forth its faculties of hearing and seeing by His might and power. Blessed be Allah the best of Creators.

HOW TO PERFORM SUJUD TILAWAH

Sujud Tilawah outside of prayers (with wudhu)

1. Niat/Intention
نَوَيْتُ سَجْدَةَ التَّلَاوَةِ لِلَّهِ تَعَالَى
Nawaitu Sajdah Tilawah Lillahi Ta'ala
I intend to perform Sajdah Prostration for Allah Almighty
2. Raising hands and doing takbiratul ihram
3. Straight away proceed to prostration
4. Recite the recitation for Sujud Tilawah (Only in Arabic)
If one is not able to memorise it, he/she can
 - recite the normal recitation for sujud or
 - just recite tasbih (Subhanallah) or
 - just remain silent
5. Rise up from prostration in a Tahiyat position and straight away give salam

Hearing Sajdah verse outside of prayers (without wudhu)

Note that this sajdah is performed by having Wudhu'. If one does not have wudhu', he may opt to replace his Sujud Tilawah by just reciting:

(Four times) سُبْحَانَ اللَّهِ، وَالْحَمْدُ لِلَّهِ، وَلَا إِلَهَ إِلَّا اللَّهُ، وَاللَّهُ أَكْبَرُ

Subhanallah walhamdulillah wala ilaha illallah wallahu akbar x 4

Glory be to Allah, Praise be to Allah, There is no God but Allah, Allah is The Greatest

Sujud Tilawah during congregational prayers

When The Imam does sujud tilawah in the prayer, it is compulsory for the Ma'mum to follow, even if the Ma'mum has yet to finish reciting his Al-Fatihah. In cases where these verse are read and the Imam does not perform Sujud Tilawah, the Ma'mum cannot perform it. If the Ma'mum insists, his prayer is invalidated.

When The Imam goes down for Sujud Tilawah, The Ma'mum straight away follows to prostration (the recitation is similar to what has been stated above). After prostration when the Imam stands back up, the Ma'mum follows, reciting Takbir but not raising up his/her hands.

Recitation of Sujud Tilawah

سَجَدَ وَجْهِي لِلَّذِي خَلَقَهُ وَشَقَّ سَمْعَهُ وَبَصَرَهُ بِخَوْلِهِ وَقُوَّتِهِ فَتَبَارَكَ اللَّهُ أَحْسَنُ الْخَالِقِينَ

Sajada wajhiya lillazi kholoqohu wa syaqqo sam'ahu wa basorahu bi hawlihi wa quwwatihi fa tabarakallahu ahsanal kholiqin

My face fell prostrate before He who created it and brought forth its faculties of hearing and seeing by His might and power. Blessed be Allah the best of Creators.

VIRTUES OF READING THE QUR'AN IN RAMADHAN

بِسْمِ اللّٰهِ الرَّحْمٰنِ الرَّحِیْمِ
شَهْرُ رَمَضَانَ الَّذِي أُنزِلَ فِيهِ الْقُرْآنُ هُدًى لِّلنَّاسِ وَبَيِّنَاتٍ مِّنَ الْهُدَىٰ وَالْفُرْقَانِ

“The month of Ramadhan in which was revealed the Qur'an, a guidance for mankind and clear proofs for the guidance and the criterion (between right and wrong)” [Al-Baqarah Verse 185]

The month of Ramadhan is also known as The month of Al-Qur'an. The Qur'an was first revealed in this blessed month. One should increase in reading the Qur'an in the blessed month of Ramadhan. If one is proficient in reading it, he will have the angels be with him. For those who are struggling and puts in more effort than the one who is proficient, that person receives twice the reward. This is Allah's generosity and love for those who read the book of Allah!

Additional Virtues of Reading the Qur'an

Ibn 'Abbas said that The Prophet Peace be Upon him used to meet Archangel Gabriel every night during Ramadhan to revise the Qur'an with him.

(Narrated by Imam Bukhari and Muslim)

It was also narrated from Aisha R.A that the Prophet Muhammad PBUH said: "The one who is proficient with the Qur'an will be with the noble and righteous scribes (the angels), and the one who reads it and stumbles over it, finding it difficult, will have two rewards."

(Narrated by Imam Ibn Majah)

Fun Fact!

One of the Great Imams/Scholars by the name of Muhammad Ibn Idrees, commonly known as Imam As-Shafi'i, used to complete the Qur'an twice a day in Ramadhan, which adds up to sixty times in one whole month!

SUPPLICATIONS DURING RAMADHAN

Supplication during sahur

Abu Huraira reported: The Messenger of Allah (ﷺ), peace and blessings be upon him, said, “Our Lord Almighty descends to the lowest heaven in the last third of every night, saying: Who is calling upon Me that I may answer him? Who is asking from Me that I may give him? Who is seeking My forgiveness so that I may forgive him?” (Narrated by Imam At-Tirmidhi)

It is recommended by the scholars to make Du'a and seek forgiveness (istighfar) during this blessed time of Sahur (Pre-dawn meal)

One of the easy ways to ask for forgiveness from Allah is to recite:

أَسْتَغْفِرُ اللَّهَ

Astaghfirullah

I seek Allah's forgiveness

Supplication when fasting

Abu Hurairah narrated that the Messenger of Allah (ﷺ) said: “There are three whose supplication is not rejected: The fasting person till he breaks his fast, the just leader, and the supplication of the oppressed person; Allah raises it up above the clouds and opens the gates of heaven to it. And the Lord says: ‘By My might, I shall surely aid you, even if it should be after a while.’” (Narrated by Imam At-Tirmidhi)

Dear brothers and sisters, pour our hearts out to Allah during this blessed month, ask from His endless bounties! May Allah ease our affairs of this world and the next!

Supplication before breaking fast

أَشْهَدُ أَنْ لَا إِلَهَ إِلَّا اللَّهُ نَسْتَغْفِرُ اللَّهَ نَسْأَلُكَ الْجَنَّةَ وَنَعُوذُ بِكَ مِنَ النَّارِ (3)

Ashadu alla ilaha illallah, nastaghfirullah, nas'aluk'l-jannata wa na`audhu bika min an-nar (x3)

“I testify that there is nothing worthy of worship other than Allah and we seek the forgiveness of Allah. We ask You for Paradise and take refuge in You from the Fire.” (3 times)

اللَّهُمَّ أَنْتَ عَفُوٌّ تُحِبُّ الْعَفْوَ فَاعْفُ عَنَّا (3) يَا كَرِيم

Allahumma innaka `afuwun tuhibbu-l`afwa f'afwa `anna (x3) Yaa Kareem

“O Allah, truly You are all-Pardoning, You love to pardon so pardon us” (3 times). On the third time say “O Most Generous” (Ya Karim).

SUPPLICATIONS DURING RAMADHAN

It was narrated from 'Abdullah bin 'Amr bin 'As that the Messenger of
Allah (ﷺ) said: "When the fasting person breaks his fast, his supplication
is not rejected." (Narrated by Imam Ibn Majah)

According to this Hadith, we are recommended to ask from Allah,
whatever needs that we may have, during the time when we break our
fast.

Supplication during last ten nights

اللَّهُمَّ إِنَّكَ عَفُوفٌ تُحِبُّ العَفْوَ فَاعْفُ عَنِّي

ABOUT CONVERTS CENTRAL

Vision

Nurturing a Striving Community of Muslims In Singapore

Mission

1. Empower our community to become a Da'wah hub by building an integrative outreach framework
2. Create opportunities for everyone to bond and grow in Islamic spaces
3. Inspire and build strong religious foundation for every Muslim

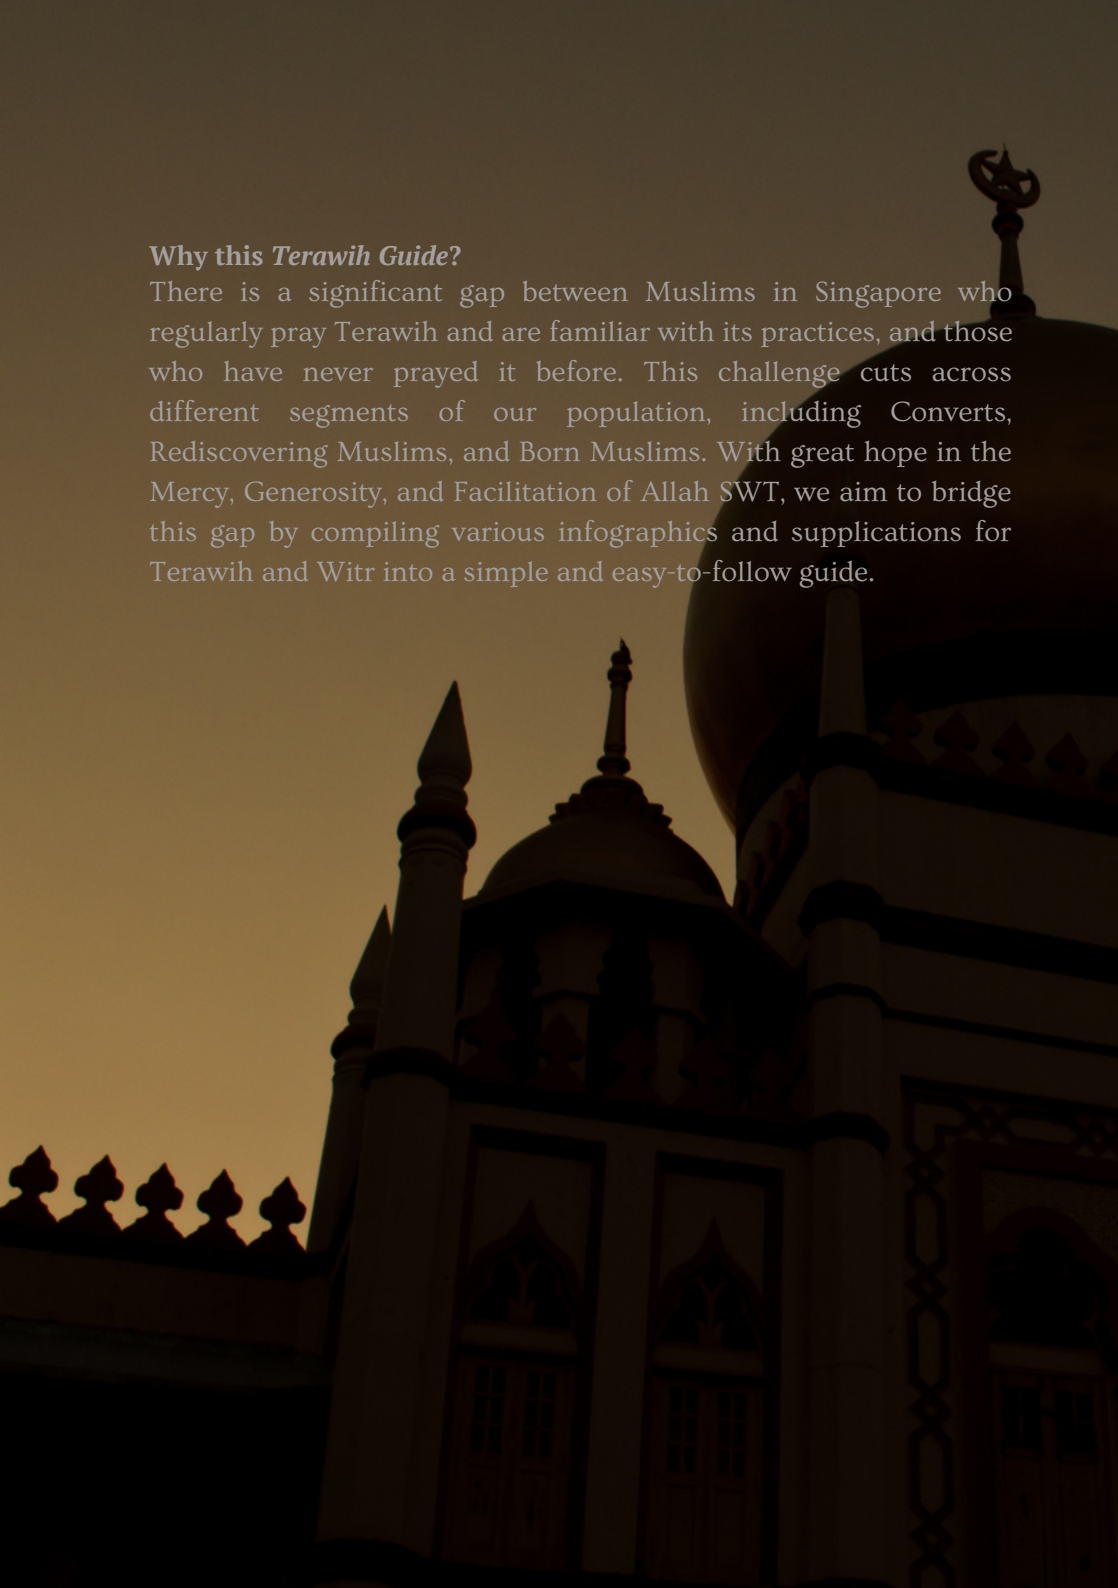

Who are We?

Converts Central is a community-initiative based in Singapore founded in 2020. It focuses on sharing the lessons learnt from the stories and challenges of Muslim converts to benefit listeners from all backgrounds. We strive to enrich the larger Muslim community in Singapore by increasing understanding of the diversity among Muslims and facilitate the accessibility of Islamic content to all.

We are active on Instagram, where you will be able to be updated on our events and podcast schedules. We upload 3 podcasts a week discussing various topics that are mainly relevant to Non-Muslims exploring religion, Muslim Converts and Born-Muslims who are rediscovering Islam. These topics range from fundamental topics of faith such as attire, wealth and marriage, contemporary topics like mental health to introspective topics like popular du'as (prayers) and names. On top of that, we organise monthly community events and weekly classes.

ACKNOWLEDGEMENTS

- Mustaghfir and Mahmud for designing the publication and compiling the list of duas, recitations, supplications, and other necessities for the guide to prayers in Ramadhan.
- Ustaz Sameer for vetting, clarifying, and providing recommendations for more beneficial content to benefit the community.

The background of the page is a photograph of a mosque's silhouette against a warm, orange-hued sunset sky. The architecture features a large central dome, several minarets with pointed spires, and intricate geometric patterns on the facade. The lighting is soft and atmospheric, highlighting the outlines of the building.

Why this Terawih Guide?

There is a significant gap between Muslims in Singapore who regularly pray Terawih and are familiar with its practices, and those who have never prayed it before. This challenge cuts across different segments of our population, including Converts, Rediscovering Muslims, and Born Muslims. With great hope in the Mercy, Generosity, and Facilitation of Allah SWT, we aim to bridge this gap by compiling various infographics and supplications for Terawih and Witr into a simple and easy-to-follow guide.
